

Pre-ETS Jeopardy LESSON Plan

This lesson is designed to introduce and/or review Pre-Employment Transition Services (Pre-ETS) vocabulary to your students. Download the lesson plan and play the game with your students using zoom, hangouts or any other platform you use to with your students!

Pro Tip: Play the game more than once (e.g., play every few weeks). This will help your students become familiar with the terms and language and apply these terms outside the school setting.

Lesson Objective: Students will play a Jeopardy game to review knowledge of Vocational Rehabilitation Pre-Employment Transition Services.
