

# PSO COLLECTION PROGRESS REPORT

## JUNE/JULY 2024 PSO DISTRICT INPUT

REPORT DATE	PROJECT NAME	PREPARED BY
August 1, 2024	PSO 2024 Statewide Collection	Cindy Post

### JULY 2024 WRAP-UP

- Progress slowed during the last part of June and most of July, it began picking up towards the end of July.
- Statewide technical assistance continues to be active with both new and established District personnel during this July, and assistance will continue as needed. A more concentrated review of district input, working towards cleaner data, has continued and is providing good data for future PSO trainings. Communications continue to show district personnel, regarding errors in input, as misunderstandings. All district personnel contacted have reacted in a positive and appreciative manner regarding our PSO Team’s assistance with this effort towards cleaner data.
- **PSO Open Mic Q&A:** Thursday, August 29, from 3-4:00pmPDT. The required registration link is on the Oregon Transition Education website: <https://transitionoregon.org/event/open-mic-question-answer-2/>
