

# HELP IMPROVE TRANSITION SERVICES

About one year after your student leaves high school, from June through September, you may receive a call asking you to take part in a short interview.

The interview asks what students have done since leaving high school – such as: have they worked, gone to school, or had job training?

## **WHEN YOU RESPOND, YOU HELP:**

- ✓ Schools understand what students need after high school.
- ✓ Improve transition planning and services.
- ✓ Strengthen job and education opportunities.
- ✓ Make sure students with disabilities are supported beyond graduation.

## **WHO WILL BE CONTACTED**

- ✓ Young adults who had an IEP in their last year of school.
- ✓ Families may answer if the student prefers support or cannot be reached.
- ✓ **Participation is always voluntary.**

## **THE INTERVIEW ASKS:**

- ✓ Has your student worked?
- ✓ Has your student gone to college, or been in a job training program?
- ✓ What does your student do for fun?

## **INFORMATION IS PRIVATE**

- ✓ Answers are combined with others.
- ✓ Neither you nor your student will be identified.

## **PLEASE RESPOND IF YOU ARE CONTACTED**

- ✓ It only takes a few minutes — and it helps improve outcomes for future students.
